

~~SECRET~~

INTELLIGENCE COMMUNITY STAFF

7 July 1982

NOTE TO:

SA/IA/DDCI

FROM:

D/Office of HUMINT Collection

SUBJECT: DDCI Testimony for 14 July Hearing
on International Narcotics

Pending our discussion with the DDCI, the only change in the draft statement I would propose at this time is some abbreviation of the section on DO working relationships beginning on page 13 and ending at the top of page 14. Other agency roles and their relationship with the Intelligence Community have been discussed more adequately at the beginning of the statement.

Suggest a rewrite of the section beginning on page 13 as follows:

"The DO maintains good working relationships with the other US agencies involved in countering narcotics.

- DO and DEA activities are complementary in that the DO focuses on strategic intelligence versus tactical intelligence collected by DEA.

- DO has close working contacts with the FBI's Criminal Investigative Division, maintains contacts with State's Bureau of International Narcotics and, to a more limited extent, with NSA.
